## RELATING TO RESPONSIBILITY / LIABILITY FOR INJURY / ACCIDENT

Please read carefully before signing

I have been briefed on the points to note regarding this accommodation facility including the risks listed below, and understand the explanation I have received. I also declare that the same applies to my companion(s).

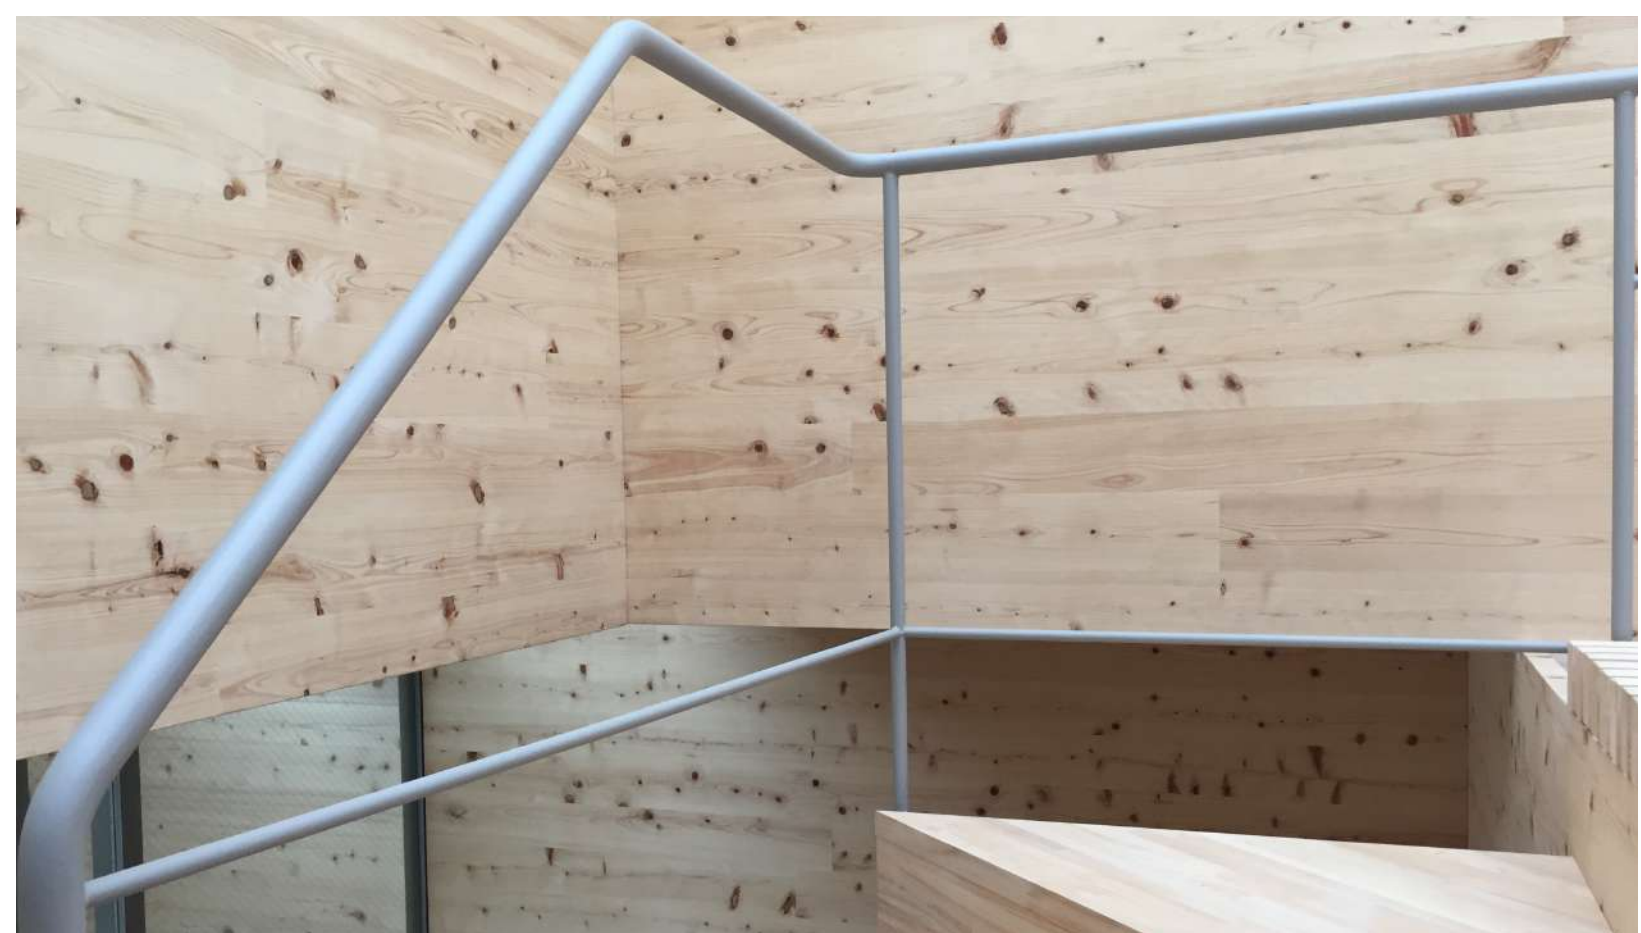

I am signing this consent form on behalf of my companion(s) and with their approval (in the case of a companion who is a minor, with the approval of his / her parent or legal guardian). I hereby state that I and my companion(s) will bear personal responsibility for any damage, including injury or accident, and also accept the four points listed below.

1

Movement from room to room necessitates the ascent and descent of steep stairs.

2

There are many gaps in the stair handrails, so that care is needed when children of junior high school age or younger use the stairs.

3

Parts of the architecture that form a sharp angle, such as stair treads and rises, may be of such a height as to come into contact with the body during movement.

4

The floors are louvred in places, with the possibility that objects may fall through.

5

The accommodation facility in its entirety is a work of art. Should damage to or loss of any of the displayed art work, hotel amenities or fittings be ascertained following your

departure, a claim will be made using the credit card presented at the time of your arrival.
